EDUCATION

Mansoura University

Computer science

- Undergraduate 3rd year Student

Dakahlia, Mansoura

October 2022 – Jun 2026

Div Academy

Certification in Python & Django

- Completed 80 hours Course

Cairo, Mokattam

August 2024 – Nov 2024

WORK EXPERIENCE

Freelancing

Tax Management Odoo Module

Dakahlia, Mansoura

November 2024 – Feb 2025

- Built a tax management system in Odoo to simplify tax processing and compliance, leveraging Odoo's built-in modules, Python, and XML for customization and seamless system integration
- Developed a to-do list to streamline tax-related tasks and workflows, with an automated notification system for task tracking and tax deadline reminders.
- Utilized PostgreSQL for efficient data storage and management of client records and information.
- Worked collaboratively with a team to design and implement core features.

PROJECT EXPERIENCE

Social Media App (Django, SQLite)

- Developed a social media platform with user authentication (login, logout, registration, password reset).
- Implemented profile editing and user management features.
- Enabled post creation, liking and commenting functionality

Expense Tracker Application (Django, SQLite)

- Built a full-stack expense tracking web application using Django framework.
- Implemented SQLite database with CRUD operations for expense management
- Designed user interface for adding, editing, and tracking expenses.
- Applied MVC architecture following Django best practices.

SOFT SKILLS

- **Teamwork & Collaboration**
Worked on several University projects as a team leader.
- **Adaptability & Continuous Learning**
- **Problem-Solving**
- **Technical Research & Troubleshooting**

SKILLS & INTERESTS

Skills: Python | Django | Odoo | Html | CSS | Tailwind | SQL | Git & GitHub | Rest framework | PostgreSQL | Bootstrap 4 |

Concepts: Data structure & Algorithms | OOP | System design |

Interests: Technology-related topics, software development, and going to the gym.

LANGUAGES

- Arabic (Native)
- English
